The proposed rule amendments will be considered for adoption by the Division Director at her meeting on March 12, 2012 scheduled to begin at 10:05 a.m. at the office of the

The Division Director will consider at this meeting on February 9, 2012 whether the formulation and adoption of this proposed rule amendment imposes excessive regulatory costs on any licensee or entity and whether any cost to comply with the proposed rule amendment could be reduced by a less expensive alternative that fully accomplishes the objectives of O.C.G.A. §§ 43-1-4.

Additionally, at this meeting on February 9, 2012, the Division Director considered whether it is legal or feasible in meeting the objectives of O.C.G.A. §§ 43-1-4 to adopt or implement differing actions for businesses as listed at O.C.G.A. § 50-13-4(a)(3)(A), (B), (C) and (D). The Division Director considered whether the formulation and adoption of this proposed rule amendment will impact every licensee in the same manner when small businesses are independently owned and operated and not dominant in the fields regulated.

For further information, contact the Professional Licensing Board office at 478-207-1300.

This notice is given in compliance with O.C.G.A. § 50-13-4.
